1. Aims

This policy aims to:

- 1.1. Provide background information about the pupil premium grant so that all members of the school community understand its purpose and which children are eligible
- 1.2. Set out how the school will make decisions on pupil premium spending
- 1.3. Summarise the roles and responsibilities of those involved in managing the pupil premium in school

2. Legislation and guidance

- 1.
- 2.

- 2.1. This policy is based on the [pupil premium conditions of grant guidance \(2017-18\)](#), published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on [virtual school heads' responsibilities concerning the pupil premium](#), and the [service premium](#).
- 2.2. In addition, this policy refers to the DfE's information on [what maintained schools must publish online](#).

3. Purpose of the grant

- 3.
- 3.1. Pupil Premium represents additional funding that the government gives to schools for each pupil considered to be disadvantaged.
- 3.2. Poverty or low income is the single most important factor in predicting a child's future life chances, with many children in low income families having low attainment by age 16. The Government believes that the Pupil Premium is the best way to address these underlying inequalities between children eligible for free school meals (FSM) and their peers by ensuring that funding to tackle disadvantage reaches the children who need it most.
- 3.3. The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged children and support children with parents in the armed forces.
- 3.4. The school will use the grant to support these groups, which comprise children with a range of different abilities, to narrow any achievement gaps between them and their peers.
- 3.5. We also recognise that not all children eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve children's progress and attainment so that they can reach their full potential.

4. Use of the grant

- 4.
- 4.1. We have two members of staff who are our Pupil Premium champions. They are Mr Simkin and Mrs Queen. In consultation with the Central Leadership Team, a Pupil Premium Development Plan for the forthcoming year is written. This plan will guide the strategy for supporting these children. Governors will use this detailed plan to monitor its effectiveness offering challenge and support.
- 4.2. The Development Plan links specifically to the main School Development Plan (Objective One – developing Leadership across the school) It also links directly to Objective Two and aims to embed and ensure Impact of curriculum on outcomes for PP children, reversing Ofsted's findings (February 2020) that "too many children have gaps in their learning because of weaker planning in the past" .
- 4.3. Our Pupil Premium Champions will receive appropriate training to ensure they are following the latest evidence to inform their decisions on Pupil Premium Spending, for example by attending Pupil premium conferences and using evidence based research and resources from the Education Endowment Foundation and learning what works best for the children in our school.
- 4.4. Dedicated Leadership time is given to this role and as part of this, parents' and children's views will also be sought.

4.5. A range of interventions are used to support our children based upon their individual needs. These include but are not limited to:
