

PAXTON PRESS - 6th February 2026

YOUR WEEKLY "HELLO" FROM MISS O

Hello and happy Friday to our wonderful Little Paxton families,

As usual, it's been a busy week at Little Paxton with lots of exciting things happening.

The week started with a brilliant Adventure Day at Grafham Water for our Lower School children. We had such a fantastic time and it was wonderful to see so many children really excelling that might find learning in the classroom difficult at times. The children all talked so positively about their day and they enjoyed so many of the activities. I was so impressed with the way the children threw themselves into the Grafham Challenge (which involved crawling through lots of mud when going under an overturned boat, through a tube tunnel and down a slide) they did get completely covered in mud. Their happy faces and laughter made the day even better. I hope that our Upper School children are looking forward to going to the centre next week for their day of fun! A change of clothes, waterproof trousers, waterproof coats AND shoes are definitely essential items.

On Tuesday, Mrs Castle led a brilliant assembly launching our Eco-Council. There have been so many children who are clearly passionate about making a difference to our school environment, and the planet, and she has been inundated with application forms to join the council. Thank you so much to all the children who have shown an interest and to those of you at home who have helped complete a form. Watch this space for further information! I do want to thank Mrs Castle for always looking for new ways to make our school more sustainable and environmentally friendly, what a star she is!

I just want to give a shout out to Eric in Year 4 for the amazing progress he has made with his timetables. The children in Year 4 sit a Multiplication Tables Check each year and they are all aiming to score 25/25. Eric has improved his score by 10 marks through his hard work and dedication and is now scoring full marks. This just shows the power of a positive attitude and hard work! Eric was able to have a dip in the Headteacher's Stash and he choose one of the very popular football books.

Speaking of working hard, our praise point champions this week are:

Upper School - Teddy (Dove) - Teddy is also the whole school champion, well done Teddy.

Lower School - Erin (Starling)

As Kite Class are aware, Mrs O'Callaghan is not going to be at school for a number of weeks as she is having an operation. Mr Saxby, Mr Inns and myself will be teaching the Kites while Mrs O'Callaghan is not able to be at school. Miss Rose has kindly agreed to work on Mondays in Starling Class for this time to enable me to work in Kites. The main difference our families will see is that I will not be available on the playground in the mornings (except Tuesday) as I will be welcoming the Kites into school. I will still be available at the end of the day or via email (remember you can always reach me through the office). I thought it would be helpful to let you know who from our fantastic leadership team will be available on the gates on which mornings: Monday - Mrs Jeakings, Tuesday - Miss Owen, Wednesday - Mrs Gatward, Thursday and Friday - Mr Saxby.

Next week is Children's Mental Health Week. The theme is '**This is My Place**'. We are delighted to be celebrating this at Little Paxton next week, especially as it links so well with our recent PSHE work on belonging. On Friday afternoon the children will all be taking part in at least one activity linked to this theme and we would like to invite the children to wear non school uniform if they would like to. As the theme is about **belonging** wearing their school uniform would fit perfectly as all the children belong in our school community. The children might want to wear a kit from a team they are a part of or a team they support for example. As always, there is no pressure to join in with this.

I hope that you have a lovely weekend and we look forward to welcoming you to school on Monday at 8.40am when the gates open!

Message from Mrs Castle

Eco-Council

Great News! Little Paxton Primary School has signed up!

The Eco-Schools Programme is a global pupil-led programme that helps children lead projects to care for the planet, save energy, reduce waste, and make their school greener. This initiative operates in over 60 countries, has engaged over 19 million students worldwide and is supported by the UN.

<https://www.eco-schools.org.uk/about/what-is-eco-schools/>

We have had an assembly about this, and the children have been invited to apply for a position on the committee. Applications close on Monday after which 10 children will be chosen to lead the project. Their first task will be to conduct an environmental review of the school and grounds in order to decide what we can do that will positively impact our environment.

The committee will keep you posted!

Get your thinking caps on!

Huntingdon District Council have given local schools the challenge to name their new Food Waste Collection Trucks. Names can be imaginative or light-hearted, and the winning entries will be reproduced as stickers for display on the vehicles. Please send in your child's chosen name for the truck in their best handwriting please, clearly stating their name and class. Please hand in to the office, class teacher or Mrs Castle.

Information about this new service can be found at; <https://www.huntingdonshire.gov.uk/bins-waste/food-waste/>

#THRIVEin2025 - A fantastic total of **£2668.00**

WOW! I honestly have been blown away by your generosity and creativity with our Thrive in 2025 campaign. We have raised over £2,500 which is awesome. Every penny raised will make a MASSIVE difference to us as a school and enable us to do those extra things to make Little Paxton the best it can be and the best place to go to school in St Neots.

You will not be able to give any more money to this campaign but there will be more opportunities in the future for you to support school. I am so incredibly grateful to each one of you and am so excited to start spending the money you have raised. I will be in touch to share what your generosity has enabled us to do. I don't want to be too mushy but I want to say thank you from the bottom of my heart. We really do have the best school community ever. Watch this space for what we will achieve together through Thrive in 2025!

Miss Owen
