

## PAXTON PRESS - 6th March 2026

### **YOUR WEEKLY "HELLO" FROM MISS O**

Hello and happy Friday to our wonderful Little Paxton families,

It's been lovely to see that big yellow thing in the sky, apparently called the sun, this week. It really does make everyone feel so much better. The children have been getting hot at playtime/lunchtime and often hang their coats or jumpers on the fence when they don't need them. Please can you label all jumpers/coats so that we are able to reunite them with the children if they are left outside. We are also opening up the field, now the weather is better, so a pair of spare wellies/old trainers that are kept at school would be really useful to enable us to make as much use of the field as possible.

Thank you for the amazing effort everyone put in for World Book Day, the costumes were amazing and it was so lovely to talk to the children about who they had come as. The staff looked brilliant as well! What a fantastic school community we have! Lucy, our Librarian, joined in as well dressing up as a Minion and we even had a visit from Gru! The children enjoyed guessing who I was, if you haven't read 'The Last Bear' by Hannah Gold then I highly recommend it! Our kitchen staff also joined in by decorating the serving hatch and giving every child who had a school dinner a special bookmark! Lunchtime finished with a Conga Line into school (the sunshine does make everything better).

On Monday we had a meeting with our Governing Body, which was really helpful. We were talking lots about our school and how we keep growing. One of the things we spoke about is promoting the school and shouting about all the great things we do at Little Paxton. We would really appreciate you getting in touch if there is anything you think we should be shouting about (we are hoping to send something out before Easter to collect your views but feel free to email us before this). It was great to see those of you who attended the 'Drop In' on Wednesday after school. This is a great opportunity to catch up and check in with your child's class teacher if you need to do so.

Every half term we hold pupil progress meetings where we discuss the children's learning and the interventions that are happening that are supporting the children to make progress. These are great meetings and it has been wonderful to hear about the provision in place for the children within the classrooms and how this is supporting the children's progress across the curriculum. We also has one of our governors, Louise, coming in to observe a pupil progress meeting alongside completing her termly safeguarding visit.

On Thursday, we had an inspection of our kitchen facilities! I am delighted to be able to let you know that our amazing kitchen team have been given a 5 Star Cleanliness and Hygiene Rating (AGAIN) for their facility. Thank you ladies and well done, this is absolutely amazing!

Thrive in 2025 seems to have sparked the entrepreneurial skills in our children. We have a group of Year 4 children who would like to use their crochet and craft skills to raise money. All the money they raise will be spilt equally between Little Paxton Primary School (thank you girls) and Woodgreen Animal Shelter (a charity of the girl's choice). They will be selling their created items (please see the pictures below) on the playground next week. Please support them if you can!

Our Year 6 children completed their Level 2 Bikeability this week ready for cycling to school in the warmer weather and also to prepare them for secondary school. Well done to all the children who took part.

I had 4 very keen Pigeons who wanted to share their excellent art work with me. Emily, Clara, Lilly and Lily had created T Shirts to raise the profile of particular endangered animals. I was not only really impressed with their art work but also their understanding of why the animals they had researched were endangered, they had reflected this really well in their art.

Today I get to celebrate with 20 Year 1 and 2 children who have reached their 50 Praise Point Reward. I know they have been looking forward to their treat since they received their letters (I know a few children are poorly today, don't worry, they will remain amber on my spreadsheet and I will gather them next time)

*1 - Our 50 Praise Point Celebration*

Our praise point champions this week earning an extra 5 praise points to add to their total are ...

Upper School - Tommie (Raven) Coraline (Raven) Poppy E (Raven)

Lower School - Brooke (Starling)

Well done to you all!

Also a massive well done to Miracle (Pigeon), Amelie (Raven), Ruby (Raven) and Hermione (Raven) for correctly guessing my World Book Day character. As promised, you all have an additional 10 praise points added to your total!

All that's left for me to say is have a wonderful weekend, I do hope that the sun stays with us, and we look forward to welcoming you to school on Monday at 8.40am when the gates open!

*2 - Some of our staff in their costumes*

*3 - Lucy our Librarian joining in with World Book Day and Gru came along to check on her.*

## Workers of the Week

4 - This half term we are celebrating being creative!

### FOUNDATION

**Marvelous Merlin** - My worker of the week this week is **BENJI** I have been so impressed with how determined and courageous he has been this week. He has been courageous in his learning by challenging himself to complete the tables in provision and achieve the rainbow sticker. Well done Benji, keep being courageous!

**Splendid Sparrow - MYLO** - Because he has been really courageous over the past week. He always tries his best when sitting on the carpet for learning, particularly in phonics. He also shows great bravery and a positive attitude even when he finds things challenging. Keep being a super star Mylo! Well done!

### YEARS 1 AND 2

**Lovely Lark - Lewis N**, has shown fantastic courage this week by being brave and trying new things. He has not given up when learning has been tricky and should feel very proud of himself.

**Super Starling - EZRAH** has shown the value of **courage** this week by stepping outside of his comfort zone. He worked with familiar adults to help build part of his Big Write in English and showed a brilliant attitude to trying something that felt a little tricky. I am really proud of the effort and bravery he showed. Well done, Ezra!

**Wonderful Woodpecker** - My worker of the week is **JACOB** because he put his hand up during computing and asked for help when he needed it. Well done Jacob!

#### **YEARS 3 AND 4**

**Remarkable Raven** - **TOMMIE** has shown great courage and persistence in English this week, not giving up when he finds it tricky and asking for help if he needs it. He has come up with some excellent ideas! Well done Tommie!

**Clever Kite** - **RUBY** for being courageous in her learning. This week, she has challenged herself in her writing by pushing herself to keep trying, asking questions, and producing some great work.

**Fantastic Fisher** - **ELIN** - She has shown great courage and determination throughout the week. Well Done!

#### **YEAR 5**

**Ready Wren** - **REJUS** has been courageous in both swimming and writing. In our swimming lesson, he did a fantastic job of swimming through a hoop which was a little deeper than it should have been! In writing, he's been working hard to express his ideas and keep a good pace.

**Perfect Pigeon** - Our perfect pigeon this week is **ELIJAH** because he impresses us EVERY day with his excellent attitude and fantastic effort, but this week he amazed us with an especially creative ending to our story Tuesday from World Book Day. Well done Elijah!

#### **YEAR 6**

**Dedicated Dove** - **PENNY** - She showed great courage on her bike during Bikeability this week. The instructors were incredibly pleased with how she overcame her fear of cycling on the road and kept going throughout the week.

**Jubilant Jackdaw** - **JOE** for pushing himself out of his comfort zone in Bikeability and for wearing a crazy costume for World Book Day and being himself at all times.

# Education Inclusion Family Advisor Newsletter March 2026

## A Bit About Me

Hi, my name is Katie and I am your school's link EIFA. As an EIFA I offer advice and strategies to parents and carers with a Primary School aged child that may be experiencing some challenges such as routines, sleep, sibling rivalry, challenging behaviour, worries or self-esteem. If you'd like a chance to discuss any of these topics, please complete our service consent form via the link at the bottom of this newsletter.

## Parenting top tip **Top Tips** What to do when children argue

Children often argue because they haven't yet learned emotional regulation skills. Helping them practise calm-down techniques during non-stressful times makes it more likely they'll use them during conflicts. **Examples to teach-** taking a deep breath; stepping away from the argument briefly, using a "calm voice", saying what they need instead of blaming. If appropriate think about allowing for some negotiation and choice. For example: 'Would you like to do your homework before or after tea?' 'You can tidy up by yourself or I can help you.' 'Would you like to have your screentime in the morning or the afternoon?' Children do get told what to do quite a lot, and some (especially those who are strong willed) like to feel that they have some control and offering choices helps with that.

## Activity

We have had a lot of rain lately! Adults often see it as an inconvenience don't they but looked at through a child's eyes it can be fun. So next time it's raining why not put your waterproofs on and head outdoors. Here's an idea that might appeal to your little ones.

Start a raindrop orchestra

Take some different objects outside to see what sounds the rain makes when it falls on them. Try different-sized saucepans or raid your recycling for foil containers and empty tin cans. Can you hear heavy drumming, a soft pitter-patter or pretty tinkling sounds? Try to create as many different sounds as possible and make some raindrop music.
